- FINANCIAL QUESTIONS:** Ashley Ohler: 745 Lambertsville Rd. Stoystown, PA 15563. 814-442-2339

CCA Mission Statement

CCA, a ministry of St. Paul's Presbyterian Church, exists to provide a community for Homeschool families and to create both an academic and godly environment that serves to supplement and support the academic endeavors happening in the home.

Goals:

- Students are challenged to improve their ability to appropriately interact socially with teachers and other children in a classroom setting. Examples: sitting in class, raising hands, serving others, waiting their turn, listening attentively, walking quietly in the halls, being courteous, etc.
- Students will improve their skills to perform or present in front of a group. Example: speech/choir.
- Students will be challenged academically (or physically in gym class) in an age-appropriate manner. Example: science information, memorization, writing, speaking, etc.
- Students are encouraged to create and foster growing friendships with other children.
- Parents/guardians will have the opportunity to build friendships and be supported by each other. This might include exchanging ideas, asking for support, or comparing and sharing teaching/learning techniques and styles.

CCA Basics

- CCA meets for 2 semesters on Wednesdays from 9:10am-2pm with a 30 minute lunch at 12:30pm. The first semester is 12 weeks starting in mid September and ending mid December. CCA does **not** meet in January. The second semester is 12 weeks starting the first Wednesday in February and ending mid April.
- Students wear uniforms (primary-high school, nursery not included). Students wear khaki/black/navy pants or modest shorts/skirts/jumper paired with a long or short sleeved polo shirt (choose from white/yellow/light blue or navy blue). Sneakers are recommended for gym class.
- A parent or guardian **MUST** stay in the building for the duration of the CCA day. Exceptions include leaving for an **occasional** reason, in which case, a substitute guardian must be assigned to the child.
- Nursery is available to drop off babies and toddlers under age 4 **when their parent/gardian is occupied in a classroom (teaching, co-teaching, helping, or volunteering)** Parents are to pick up their children immediately after or stay and help in the nursery when they are not in the classroom.
- The class schedule each year is determined based on interest and availability from teachers and students. It remains similar each year with changes made on a semester by semester basis.
- A detailed schedule of classes will be provided before classes begin.
- All parents/guardians are required to help at CCA in some capacity. This may include teaching, co-teaching, helping in a classroom, or volunteering. Please inquire about how we can best plug you in at CCA. CCA exists and operates because our parents/guardians make it happen every week. We could not do it without you!
- Compensation is available to teachers, co-teachers, and classroom helpers.
- All families are required to read, sign, and agree to the Student Handbook rules and regulations.
